LOCAL NEWS.

Wood FIRE.-A large number of persons supplied themselves, by permission, with wood saved from the conflagration of the Government wood-pile, on the Northern suburbs of this place. The fire commenced about 5 o'clock on Monday, and raged all Monday night and part of yesterday. Every exertion was made by the Fire Department and the citizens of this place, and the fire companies which came from Washington, to arrest the progress of the flames. The Washington Star says, "the yard contained more than 30,000 cords of thoroughly seasoned wood. In the pile destroyed there were about 12,500 cords of excellent oak and hickory, worth seventy or seventy-five thousand dollars." The Star further says :- "An immense number of negroes were upon the ground, but few of them would work until it was intimated that if they would remove that corner of the pile, nearest the adjoining pile of pine, and thus save the latter, they would be allowed to retain all they removed. In a short time they made a gap of one or two hundred cords in the place indicated, securing fire-wood for some months for themselves, besides saving heavy loss to the Government. Major Lec, of the Freedmen's Bureau, rendered valuable assistance, and Capt. Hough, of the Commissary Department, provided the firemen and laborers with a bountiful breakfast next morning.

N. B.-It is now said that the amount of wood destroyed was about 6,000 cords, and the loss about \$25,000.

THE ELECTION TO-MORROW. - An election for Sheriff and County Constables, also for two Magistrates to fill vacancies—one in the 2d and one in the 3d district-takes place to-morrow. The polls will be opened at the usual places.

THE ALEXANDRIA CANAL. - We are grati- and citizens. fied to be able to announce that work, inciden tal to the re-opening of the Alexandria Canal, will be commenced on to-morrow, Thursday, the 24th inst., and if possession of the Aqueduct can be obtained in a reasonable time, of which there is but little doubt, we may expect to have the Canal opened for business between the 1st and 15th of July next. The lessees of the Canal, Messrs. Quigley, Wells and Dungan. are making arrangements for a vigorous prosecution of this important work, and it is hoped they may be entirely successful in their undertaking. Coal Companies not heretofore represented, it is confidently expected, will establish depots in Alexandria, and these, in connection with the Companies already located here, will |

INGENIOUS .- Our old friend Mr. Richard Wright, formerly for many years a citizen of this place, but now a resident of Washington, has sent us a large card containing an ingenious 'Printer's Puzzle," as it is called, presenting on its surface nothing but a number of straight and crooked lines, but when "viewed aright," showing words and sentences well arranged and in good penmanship. In the card sent to us we return thanks for the handsome compliments paid to the Alexandria Gazette.

LONG BRIDGE. -The Washington Chroniela refers to the delay caused in getting the Fire Engines in Washington down to the fire at the government wood yard in this place, on Monday night-the engines being compelled to go round by the Aqueduct-es showing the necessity to those have the control of the Long Bridge of putting it in a condition for immediate use.

PARDONED.-Many of our citizens will be gratified to learn that President Johnson has pardoned Gilbert Simpson, John Travis and Joseph Horseman, who were sent to the Albany Penitentiary for participation in the disturbance that occurred in this place on Christmas be held on the 24th May, for the Clerkship of the County Court, the office now held by me as last. BOLD ROBBERY. - This morning, two thieves entered the Flour Store of Mr. S. Harrley, at the lower end of King street, while Mr. H. and his clerk were out of the counting soom, but in the store, and with false keys opened the money drawer, and stole about \$375, mostly in in large notes. The thieves were seen by a colored man, who called the attention of Mr. Shinn (Mr. H's. clerk) to them; but they pretended that they wanted to purchase flour, and thus avoided suspicion. Immediately after they left the money was missed. A reward for the apprehension of the thieves has been offered, and the police are on the alert. This is one of the boldest robberies that has been yet committed here.

CITY COUNCIL. - There was a regular meeting of the City Council last night, the official proceedings of which will be found in another column. The Committee on public property was ordered to take possession of the Steam Fire Engine House, opposite the depot of the A. L. & H. R. R. A communication from the Mayor in relation to the duties of Night Watch, and asking that the present law be amended so as to prevent them from performing the duties of day-police was referred. An act repealing a portion of the act in reference to theatrical performance, requiring the employment of a police officer as such exhibitions, was passed; and an act authorizing the funding of the interest on the funded debt due June first,

THE REVENUE BILL. - Last night the Board of Alderman passed a bill for raising the Revepue for the year 1866. The rate of taxation on real and personal property is fixed by the bill at 160 cents on the \$100, with a discount of 20 per ct. for prompt payment. The capitation tax is fixed at \$1.50. As the bill has to go to the Common Council for its concurrence, and as its provisions may be changed by that body, we deem it unnecssary to note the details of the bill at present.

FERRY STOCK COMPANY.-We are requested to say that the subscribers and shareholders of this company will meet to-night over Messrs. Witmer & Slaymaker's store, at the corner of King and Royal streets, at 8 o'clock precisely. A large amount of stock has been subscribed, and a full attendance is requested in order to organize the Company, and transact other business of importance.

This morning, about half-past ten o'clock, a smoke house, on Alfred, between King and Cameron streets, took fire, but the progress of the flames were soon arrested by the firemen

POLICE REPORT. - MAYOR'S OFFICE. - Chas. Mondon, a gentleman of color, full six feet high, went to Petersburg last night with more money than is generally in the hands of colored gentlemen, and began to exhibit his pile, when one of a party of negroes, among whom were Robt. Dogan, Jos. Campbell, John Hopkins and Bill Winn, who were congregated at a small grocery kept by Degan, in that locality, snatched the money from the hands of Mondon and sloped. Dogan afterward returned sixty dollars of the stolen money, and Joe. Campbell pressed Mondon to let him examine his pockets, where he was fortunate enough to find a fifty dollar bill, which Mondon says was not there until Joe greatly increase and give a fresh impetus to our placed it there; but the other fifty, (he had two fifties,) has not come to light yet. Two twenties are also gone, and some small change. The Mayor, assisted by Justice Summers, released Hopkins and made a witness of him, but his testimony did not throw much light upon the subject. Upon the person of Winn was found a bottle of chloroform. A subsequent confession disclosed as villainous a scheme as can be imagined, and would do credit to the most scientific New York thieves. Winn and Campbell were both committed for Court, and the witnesses recognized to appear then.

Since the arrest of Dogan, Winn, Campbell, and others, Wm. Coulson, otherwise called "Mump," was arrested. It appears he bought the chloroform. He was sent to jail, by the Mayor, for further examination. Joe Campbell made his escape on his way to jail. The officer in charge discharged his pistolat Joseph, but missed him, and, it is said, wounded a ne-

There are many persons who crowd around the Mayor's office, while an examination is gong on, force their way into the private room of the Mayor, and occupy the "highest seats in the synagogue," obstructing the ends of justice very frequently. It is to be hoped that this furnishing me regularly with excellent hint will be sufficient, and that a sign with "no entrance except on business" will not be necessary to be placed upon the door of the Mayor's private room.
